

Year One—Autumn 1 Curriculum Overview

Topic Overview

This term in Year 1 our topic is based around the theme of London. The children will be learning about the landmarks in London. They will be listening to stories about London – The Queens Hat and The Queens Handbag and No Nancy No! The children will learn about Queen Victoria. To enhance their learning the children will be using the outside environment and different equipment to help them learn.

Core Subjects

English - Thinking carefully about what we need to write and which sounds we need. Writing labels, captions and sentences with finger spaces, capital letters and full stops.

Maths - Number bonds (pairs of numbers) to five, then to ten, using models and images.

Science - Observing seasonal changes in the environment, creating a season book for the year. Looking at weather patterns .

Identifying and labelling parts of the body including the five senses.
