

Pupil Premium Review Junior 2018- 2019

What is pupil premium?

Introduced in 2011, the pupil premium is a sum of money given to schools each year by the Government to improve the attainment of disadvantaged children.

This is based on research showing that children from low income families perform less well at school than their peers. Often, children who are entitled to pupil premium face challenges such as poor language and communication skills, lack of confidence and issues with attendance and punctuality. The pupil premium is intended to directly benefit the children who are eligible, helping to narrow the gap between them and their classmates.

Alver Valley Vision

We believe it is our responsibility to empower individuals to have high aspirations creating a school community that shines. Challenge, resilience, independence and confidence form the backbone of our drive to excellence.

At Alver Valley Schools, learning starts with children's own experience and interests, as this promotes ownership of, and motivation in, learning. We strongly believe that creativity in the curriculum is an essential. It has the ability to enthral, can be the hook to fire imaginations, and drives motivation. It is what gives the curriculum excitement and makes learning irresistible.

At Alver Valley Schools, there are plenty of opportunities to realise these ambitions. It is critical to embrace the wider aspects of children's learning, their backgrounds, their home life, their families and the varied experiences they bring, to fully understand the individuals we are educating. Only then can we be supportive, ambitious and ultimately successful. Building strong links with the community is imperative to bring life and energy into our school. We need to be proud and strong and celebrate and promote what makes Alver Valley unique, exciting and challenging.

Alver Valley Values

The values which the pupils and staff recognise as underpinning school life are:

- Boundaries
- Resilience
- Focus
- Respect
- Self-regulation
- Independence

How do we use the Pupil Premium at Alver Valley schools?
