

Year N2—Autumn 2 Curriculum Overview

Topic Overview

This half term in Nursery we will be learning about farm animals and pets through a range of great books and some of our favourite rhymes: Old MacDonald, Hickory Dickory Dock, Rosie's Walk, Oh Dear, Oh no George! And The Great Pet Sale. We will be developing our cooperation and sharing skills and starting to talk about the things we need or

Literacy Communication & Language

We will continue working on building up our levels of attention, using bucket time to develop focus and continuing to engage in story telling, sharing stories and making simple story maps to write about them. We will continue to develop our language skills, learning new vocabulary.

Personal, Social and Emotional Development.

This will continue to be a focus for this half term. We will use words to tell people how we feel and the things we need help with. We will begin to include others in our play and show friendly behaviours when playing.

Mathematical Development

We will continue to subitise quantities up to 5 in different contexts. We will begin to explore five frames in different contexts and will sing songs and rhymes using numbers and act them out.

Physical Development

We will be developing our 'spatial awareness', looking into how to solve conflict situations through awareness of space and boundaries.

Important Information

Class Teachers - Mrs Richardson

Early Years Assistants - Mrs White, Mrs Smith,

PE Days - Monday (morning) Thursday (morning)

Reading records - Please share a book with your child and write about their responses. When they read ten times they get a prize from our box. They are expected to read 4 times a week.

Homelearning - The children have number cards and books to look at with you at home.

Expressive Art and Design

In Art we will explore Jan Poynter and a technique called 'Wax Resist', while exploring natural patterns.

Knowledge and Understanding of the World

We will be learning about baby animals, and nature around us.. We will continue with our Forest school sessions within the school grounds. R.E. We will Learn about Christmas traditions in our country and across the world..
