

Year 5—Spring Term Curriculum Overview

Topic Overview

Spring Term in Year 5 is packed with lots of engaging lessons in all of our subjects. From Ancient Egyptians in History, to space in Science and Chocolate nests in DT, you won't want to miss out!

Core Subjects

English: In Reading, we will be mainly studying Secrets of a Sun King and Cosmic, to link to our topics. In Writing, we will be covering a range of genres, including narratives, poetry and report writing.

Maths: In Maths, we will be developing our understanding of place value, the four operations, fractions, statistics and geometry. Multiplication and division tables will continue to be an important focus, and this will be supported by TT Rockstars.

Science: In Science, we will be delving into light and space, learning all about how we are able to see things, as well as the solar system and beyond.

Important Information

Class Teachers - Mr Edwards and Miss Blackburn

Support Staff - Miss Shaw, Miss Gibson, Miss Clarke, Miss Schwartz

PE Days - Monday and Wednesday

Reading - Please read at home daily

Homework - SATs Companion

Contacting us - Mr Edwards and Miss Blackburn will both be available to chat to at the door most afternoons. If you have any concerns at all, we will do our best to assist you and your child with these. We thank you for your continued support this year.

Foundation Subjects

Art: We will be studying the works of Joseph Cornell and what is 'special to me'.

DT: We will be making our own Easter 'chocolate nests'.

Geography: We will be learning about economies and how they work around the world.

History: We will be studying the Ancient Egyptians, with a focus on Tutankhamun.

RE: We will be learning about creation and justice in different faiths.

Personal Development: We will be learning about keeping safe, rights and respect.

Music: We will be studying pitch and structure through space-themed music.

Computing: We will be learning more about how videos are made and produced.

French: Healthy eating and the planets.

PE: Football, gymnastics, dance and hockey are all on the menu.
